Preschool to Year 10

'Success and excellence in education'

8 May 2018

**Pre School Incursion - National Dinosaur Museum
Dolphins, Penguins and Turtles**

Our current Unit of Inquiry is focusing on dinosaurs. We have organised a visit from the National Dinosaur Museum to provide the children with a hands on experience of fossils and a demonstration on how a plaster cast of a fossil is made.

Our inquiry unit will investigate the prehistoric era and extinction of these species. Children will explore mathematical experiences. They will learn about the size of dinosaurs and will be using language to describe the length, height and weight of dinosaurs during this time.

We will also learn about scientific terms used in this field, such as; paleontologists, herbivores and carnivores.
