Routes have been highlighted to use shared paths, crossings, underpasses and overpasses and to avoid crossing busy roads where possible.

It is a parent/carer responsibility to identify the safest route for their child to travel to and from school.

It is highly recommended that children are accompanied by an adult until they are competent to independently travel to and from school.

Riding and walking with siblings and/or in groups is also recommended.

If English is not your first language and you require the Translating and Interpreting Service (TIS), please call 13 14 50.

CATCHING THE BUS TO SCHOOL IS FUN, SAFE AND A GREAT PLACE FOR KIDS TO MAKE NEW FRIENDS.

Visit the ACTION website for everything you need to know about our school services including routes, stops and times. If there isn’t a bus route nearby then you can put in a request for one, just contact your School Principal or call ACTION on 13 17 10.

www.action.act.gov.au

If you live too far away from the school to walk or ride the whole way, part way is OK too.

If you know others using the PART WAY DROP OFF POINTS, you could nominate a time to meet so everyone can walk together.

Even walking part way to school will help students get physical activity into their day, arrive at school more alert and reduce traffic congestion around the school. Parents can miss the drop off and pick up traffic too.

Road rules and signs are in place around your school to keep our kids safe.

NEVER park illegally

DON’T double park, park on school crossings, in the bus bay or no parking zones – it puts children at risk, blocks the vision of other drivers, forces children onto the road and obstructs the flow of traffic.

Help keep our kids safe by:

- Slowing down to 40km in school zones
- Model safe behaviour for your child – they will learn from you
- Park safely and legally even if it means walking further to the school gate

Road safety is everyone’s responsibility.
Riding and Walking Routes to Wanniassa School

Did you know... You could walk 1km in about 15 minutes?

If you live within this circle it should take you less than 15 minutes to walk to school.

Older students could ride up to 5km to school in 25 minutes (riding at 12km/h).

Part Way Drop off Points

Wanniassa area
- Wanniassa Shops
- Billson Pl (off Langdon Ave)
- Wynne St Cremean Cl walkway

Oxley area
- Hammond Cl (off Newman-Morris Ct)
- Mauger Pl (off Wheeler Cr)

Kambah area
- Cutbush St walkway

If you can’t ride or walk the whole way to school use one of the Drop Off Points because part way is ok too!
