VOLUNTARY CONTRIBUTIONS

Dear Parent/Carers

The students of Wanniassa School, benefit directly from the financial contributions made by parents during the year. Every dollar received is used to provide additional resources for our student learning programs. Your contribution is a very important component of our annual funds.

We are encouraging parents to support the learning programs for 2016 through a family contribution. As stated above, your contribution is a very important component of our annual funds. This will enable the school to purchase materials that enhance learning in all curriculum areas.

Your contributions help provide student resources, such as reference materials, sporting equipment and other items necessary for their educational needs.
