National Science Week - Dr Karl Experience

As part of National Science week (13th-17th August), Wanniassa School is offering the opportunity for 10 students from each year level (7-10) to attend a seminar hosted by Dr Karl Kruszelnicki and Professor Veena Sahajwalla at the National Convention Centre. The seminar will be a Q&A style, where students will be encouraged to ask their burning science questions to the experts.

Permission Note

I give permission for my child _____ in year _____ to attend the National Science Week - Dr Karl Experience on Friday 17th August, 2018. I understand students will be transported to/from school via a coach.

Signature _____

Date: _____

Returned Medical Form Excursion Consent Form

INFORMATION FOR PARENTS It is a requirement of our Education Directorate that we notify you of the following points and **you are asked to discuss these points with your child**

- Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to adequately control and supervise their behaviour and activities.
- Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.
- A refund for non-attendance at this excursion will be made where possible; in cases where bookings have been finalised, a refund may **not** be possible. Cases of hardship should be referred to the Principal for confidential assessment.
- I authorise the teacher in charge to make arrangements for the welfare of my child (including medical or surgical treatment) in an emergency. I agree to meet the costs associated with any emergency arrangement. I understand that free ambulance transportation only applies in the ACT.
