

Café & Social Media Essentials

Vocational Learning Option (VLO)

Semester 1 2019

In this VLO students will learn the art of coffee making and will learn how to manage a business social media site. Student will develop skills and knowledge useful not only in the hospitality industry, but also in a range of service industries. This VLO will deliver four units of competency from SIT30616 Certificate III in Hospitality and include relevant employment skills. Students will receive a Statement of Attainment for competencies successfully completed.

Suitable:	Year 9, 10, 11 and 12 students not duplicating VET hospitality at school/college with a passion for hospitality and business.
