School Accident and Incidents

Wanniassa School collects information about injuries and incidents that occur at school or on school-organised activities, on behalf of the ACT Education Directorate. Some of the information may be personal information as defined in the Privacy Act 1988 and the Health Records (Privacy and Access) Act 1997. The information is usually included in a Student Accident/Incident Report or Notification of a Critical Incident together with any accompanying witness statements.

The purpose of collecting the information includes notifying the Territory's insurers and legal advisers of injuries and incidents and ensuring that the school itself has accurate and complete records. The Directorate usually provides the form and any other information relevant to the accident/incident to the ACT Insurance Authority and the ACT Government Solicitor. Information may also be provided to WorkSafe ACT in accordance with the ACT Work Health and Safety Act 2011.

Schools have a duty of care to keep students safe. Where an injury or incident occurs schools have an obligation to determine what has happened and therefore may question students. Schools may also ask students to make statements in writing and to sign these statements.

Insurance and Ambulance Transport

The ACT Education Directorate does not provide any insurance cover for injury, disease or illness to students resulting from school activities or school-organised excursions. Claims for compensation are met where there is a legal liability to do so. Liability is not automatic and depends on the circumstances in which any injury, disease or illness was sustained.

As there is no automatic insurance cover for personal injury if your child is injured at school or during a school organised activity/excursion you should therefore consider whether taking out personal insurance cover for your child is warranted.

This insurance might cover contingencies including medical/hospital expenses, ambulance transport outside the ACT, and cancellation of transport/accommodation or loss of/damage to luggage.

The ACT Ambulance Service provides free ambulance transport for students who are injured or suddenly become ill at school or during an approved school organised activity within the ACT.
