NEW INFORMATION

Semester 2 Reports - Both junior and senior campus reports will have the same format; an overall A-E grade and an assessment of the achievement standard statements on a 5-point scale. While reports will not include teacher comments, learning journeys will be held for K-6 students early next term, and parent-teacher interviews for years 7-10 will be scheduled for late this term. As always, parents and carers are encouraged to speak directly with their child's teachers if they have any questions or concerns about their progress. Our teachers will continue to communicate directly with you when there are concerns about student learning or other classroom updates. The decision to remove comments from P-6 reports for semester 2 has been made in conjunction with our staff, as part of the Education Directorates commitment to support teacher workload reduction during the ongoing challenges Covid has presented to our workforce. If you have any questions or concerns, please contact us.

Indigenous Book Swap - As a part of our NAIDOC celebration at Wanniassa School, we are raising money for the indigenous literacy foundation by holding a book swap 7 & 8 September at our Junior Campus! We are raising funds to provide books and learning resources for Indigenous children living in remote communities across Australia. We encourage you to bring in any books you no longer use, have a browse, and find some good new reads! Book donations can be made to either campus front office, or on the day. A gold coin donation would be appreciated for each book. K-6 students will access the book swap during library time. 7-10 students, parents, carers, community members and staff are welcome to come to the JC Community Hub 3-3:30 pm

JC Lost Property - items will be laid out for viewing near the Community Hub in Week 8. Please come and have a look through. It's a good time to check your child's name is on every item coming to school so it's easy to return to them.
