## Menslink counselling support for your young guys

If your young guy is having a hard time and could really use someone to talk to, get in touch with Menslink. Now conveniently located in Holder and Kippax, our wait times are currently low so we're ready to help when he needs it. We provide a welcoming and supportive environment for young guys to share their concerns and worries with a male counsellor who will hear them out, work alongside them and provide tips and strategies to get them through those tough times. You don't need a mental health plan and they are available during school terms and school holidays. If you think your young guy will benefit chatting to one of our counsellors' head to www.menslink.org.au, hit the 'Get Help' button, fill in the form and we'll get back to you, generally the same or next business day. If you need more info on how to have that chat with them, just email admin@menslink.org.au or call 62872226 and we will send you some information.
