10 October – First Day of Term 4

NEW INFORMATION

2022 Tag and Testing for Chromebook Devices - It's time for the annual testing and tagging of Chromebook devices. Testing and tagging helps reduce health and safety risks from faulty electrical equipment. If you would like to have your child's Chromebook tested and tagged, please send us an email to info@wans.act.edu.au

School Carpark Safety - Please be mindful of your speed when driving through the carpark. You may have noticed our new 5km shared zone signage on our school gates, these signs indicate the speed limit and that the zone is shared by both pedestrians and cars to reduce risk to all carpark users and ensure the safety of our students. Both campus carparks also have designated drop off and pick-up zones. Please keep traffic flowing, ease congestion and facilitate quick and easy drop off and pick up. Please do not stay parked in these zones. A reminder that a number of members of our school community require the designated disabled park. We understand that on occasion it can be difficult to find a park, however these are not available unless you have an ACT Government permit. Thank you for your help in continuing to work together to keep our students safe.

REMINDERS

Preschool & Yr6 Students continuing at Wanniassa School in 2023, please return required paperwork to the JC front office as soon as possible. If you did not receive an information pack, please contact the Enrolments Officer 61421870 to arrange a pack to be sent home with your child.
