If you have an hour to spare to help on the day, please email melanie.coffill@ed.act.edu.au. Money raised will be used towards continued school upgrades.

Appropriate use of Mobile Phones

P-6 students must store their phones at the front office during school hours.

7-10 students are not allowed to use mobile phones during class time. Phones should be stored out of sight and should not be audible during class. Students may use their phones during breaks. If parents and carers need to get urgent messages to their children, please call the front office. This ensures learning time is not disturbed for the whole class and reduces the chance of conflict with teachers. Please see our [mobile phone policy](#) for further details
