

# Wanniassa School

## Week 2 Term 1

P-6 Campus: 61421840

7-10 Campus: 61421870

[info@wans.act.edu.au](mailto:info@wans.act.edu.au)

### UPCOMING EVENTS

Week 2 RAT collection update below

**28 March** – Year 8 Immunisation catch-up day

**29 March** – Year 7 & 10 Immunisations

### NEW INFORMATION

Thank you to the many parents who purchased their **book-packs** for 2022 – the purchasing of the packs gets all of our Junior Campus classrooms off to a great start for the year, with about 45% of students starting the year with their packs for the beginning of the school year. It is not too late to order using this [link](#).

Wanniassa **School Board** is seeking nominations from interested parents to fill a vacancy. Advice on completing and forwarding your nomination is contained in the attachment that can be found [here](#).

From next week, ACT public schools can distribute **RATs directly to students in years P-10**. 2 RAT kits will be sent home with students on Thursday afternoon next week. Students in K-6 will be supervised to put them into their school bag at the end of the day. Students who are absent can collect their kits when they return to school, prior to the next distribution. Preschool parents will be able to collect on their usual days from the preschool directly. If you do not want your child to be given the RAT kits and would prefer to collect them yourself please contact the front office or email [info@wans.act.edu.au](mailto:info@wans.act.edu.au)

COVID-19 vaccinations are available for children aged between 5 and 11 years. The paediatric Pfizer vaccine has been approved for use in children aged 5 to 11 years by the Therapeutic Goods Administration (TGA). All parents and carers are encouraged to consider vaccinating their children against COVID-19 to protect them for the new school year. The vaccine for this age group is one-third of the dosage given to people aged 12 years and over, and children will need two doses, 8 weeks apart.

To make a booking at an ACT Government COVID-19 vaccination clinic call (02) 5124 7700 (7am-7pm 7 days). Or use the [Vaccine Clinic Finder](#) if you'd prefer to use a GP or pharmacy.

If you are unsure about vaccinating your child, speak to your GP or another trusted health care professional to make an informed decision about their health.

### REMINDERS

- All visitors, parents and staff must use the Check-In-CBR app when on school grounds. As a general rule, if you get out of your car you need to check in. QR codes are at every entrance/exit.
- Is it time to update your contact details? Call us anytime and we can send home the form, or [email](#) us.
