NEW INFORMATION

Student Lunch Policy

Please do not bring or order take away food to be delivered to your children while they are at school. Any deliveries will be held by staff, refrigerated and provided to students at 3pm. If you arrive with takeaway for your child, please do not be offended when the front office staff ask you to sign your child out so they can have lunch with you away from school grounds. Year 7-10 students are not able to sign in/out to visit the local shops without a parent physically collecting them from school. We understand how busy mornings can get and there will be times children/teenagers forget their lunch. There are always simple sandwiches available for students. Fruit, noodles and snack bars are usually available too. SC Breakfast club runs most mornings from 8:45am and 3 buck bowls 3 days per week. Please help us to encourage healthy food choices.

2023 Student Medical form completion

Please return the Medical Information and Consent forms sent home with your child last week. This form must be completed annually by the parent/carer of each student in an ACT public school. This form is used to request general medical information about students and provides for parents/carers to consent to first aid treatment for their child/ren in line with the Directorate's First Aid Policy and First Aid General Procedures.
