NEW INFORMATION

Lost Property – We have accumulated a large amount of lost property on the Senior Campus. Items include clothing, drink bottles, mobile phones, ear pods, jewellery, stationary and more. If your child is missing any of these items, please ask them to visit the front office. Any items remaining at the end of term will be donated to a charitable organisation.

Umbrellas and Raincoats– The winter forecast predicts another wet and windy winter. Walking to and from school is great exercise if children are dressed for the conditions. When choosing umbrellas and raincoats for your children, please be mindful that we do not have any additional spaces for these items to be hung up to dry during the day. JC students often have a hook for their bag and jacket, while SC students can hire lockers for the year. Please encourage your child to pack a large plastic bag to store wet items during the school day.

REMINDERS

Junior Campus Semester 1 Reports - With the middle of the school year fast approaching, teachers will soon be preparing student reports for the end of semester 1. This semester, both our junior and senior campus reports will have the same format. All reports will include an overall A-E grade and an assessment of the achievement standard statements on a 5-point scale. While junior campus reports will not include teacher comments this semester, parents and carers are encouraged to speak directly with their child’s teachers if they have any questions or concerns about their progress. Our teachers will continue to communicate directly with you when there are concerns about student learning or other classroom updates. The decision to remove comments from P-6 reports for semester 1 has been made in conjunction with our staff, as part of the Education Directorates commitment to support teacher workload reduction during the ongoing challenges Covid has presented to our workforce. If you have any questions or concerns, please contact us.
