NEW INFORMATION

Student Lunch Policy

Please do not bring or order take away food to be delivered to your children while they are at school. Any deliveries will be held by staff, refrigerated and provided to students at 3pm. If you arrive with takeaway for your child, please do not be offended when the front office staff ask you to sign your child out so they can have lunch with you away from school grounds. Year 7-10 students are not able to sign in/out to visit the local shops without a parent physically collecting them from school. We understand how busy mornings can get and there will be times children/teenagers forget their lunch. There is always cheese or vegemite sandwiches available for students - fruit, noodles and snack bars are usually available too. Please help us to encourage healthy food choices.

Appropriate use of Mobile Phones

Phones are not to be used during class time. Phones should not be visible or audible during class time.

- P-6 students: All phones must be left at the front office during the school day.
- 7-10 students: All phones must be in bags and on silent.

Please see our [mobile phone policy](#) for further details.
